

Audubon String Quartet To Appear In Elba

The Audubon String Quartet will perform at First Baptist Church in Elba Monday, January 23, at 8 p.m. Advance tickets at a reduced rate are now on sale at the Elba and Elba Frame Shop in Enterprise and the Jewel Box in Elba.

The presentation will be the second of the Coffee County Arts Alliance 1983-84 season.

But let us who are of the day, be sober, putting on the breastplate of faith and love, and for an helmet, the hope of salvation. For God hath not appointed us to wrath, but to obtain salvation by our Lord Jesus Christ. Who died for us, that, whether we wake or sleep, we should live together with him. 1 Thes. 5:8-10

The Holy Spirit, Comforter

After you are saved, you need the Comforter which is the Holy Spirit, and He will come and abide with you. He will cleanse your heart and cleanse it. You will speak in tongues as the Spirit gives utterance. "I will pour my Spirit upon all flesh."

When you receive the Holy Spirit, you are not drunk with wine, but thank God, with the Holy Spirit, and brethren you will speak in tongues. A pastor that doesn't have the Comforter, which is the Holy Spirit, just as well be pumping gas in a filling station as the good they are doing in church.

"I pray the people of Elba will want and ask God for what they are entitled to. And when Pentecost was fully come, they were of a sound from Heaven, as a rushing wind, and it filled all the house where they were sitting, and there appeared unto them cloven tongues like as

The quartet, formed in 1974, is the quartet-in-residence at the Virginia Polytechnic Institute and State University.

Tickets will also be on sale at the door.

The next presentation of the Arts Alliance will be an opera in English by the National Opera Company. The company has performed in this area several times.

This season's presentation will be Mozart's "Così Fan Tutte" (School for Lovers).

The opera will be held at Elba High School on February 3, at 8 p.m. Advance tickets are available for this performance also at a reduced rate, at the businesses named.

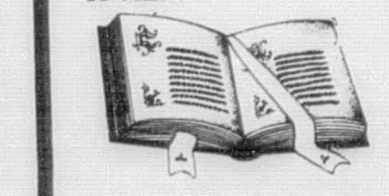

Both events are sponsored by the CCAA with assistance from the Alabama State Council on the Arts and the National Endowment for the Arts, a federal agency.

of fire, and it sat upon each of them. And they were all filled with the Holy Spirit and began to speak with other tongues. And, thank God, it wasn't left in the Upper Room. It is for all that ask. Believe what the Word says. We want to be holy and filled with the Comforter which is the Holy Spirit, and He will never leave us. Turn to the Lord for guidance and you might shout and give a joyful noise unto the Lord.

Miracles are not over - they are happening every day - just have faith. Jesus said when He was here on earth that we would not get along with all the people, as He died for us. Do we love Him enough to die for the things that God has prepared for them that love Him?

Choose this day whom you will serve. You will love those who love the other. FOYLE GUY

PASTOR'S CORNER

REV. JIM DANFORD
TAYLOR HILL BAPTIST
CHURCH

In St. John 3:16 the Word of God says "For God so loved the world He gave His only Begotten Son that whosoever believeth in Him should not perish but have everlasting life."

When man was the most unlovable, God reached out in love. When man could not go to God, then God came down to man.

When left alone man was a complete failure, but at just the right time God came and brought victory through the life, death and resurrection of Jesus. And what did God require of man? Just that man believe on the only Begotten Son of God. Because, you see, before you can be saved, you must believe that Jesus has the power to forgive your sins and give you eternal life. If you can't trust Jesus, then there is no way to be saved, since the word of God says that Jesus is the only name under Heaven whereby man must be saved.

Since Jesus is the only one who can save, then you must believe He can be trusted to do so. Sometimes I hear people say "Well, when I get to where I can live the Christian life, then I'll join the church." But when a person says and believes that, then they have cut themselves off from the only source of salvation. They really are saying "Sometime I'm gonna get good enough to save myself" and they leave Jesus out; or they are saying "I'm gonna get good enough on my own that the church will save me." Either way they have believed on some thing else or someone else other than Jesus.

Many times we hear people say "I'm just as good as that person who is in church, and I see no reason why I should change." But there again, the only person that really counts is left out, and that person is Jesus. Think for a moment - do you want to trust the eternal destiny of your soul to the church, preacher, yourself, someone else, or JESUS, the only One who can be trusted, and the only One who can save.

Thank you, Lord, for Jesus - the One we can trust with our soul. Amen.

There will be a Winter Youth Retreat at Camp Victory, near Samson, Alabama, for seventh-grade through college-age, January 20-22.

The retreat begins with supper on Friday night and ends with lunch on Sunday.

Cost for the weekend is \$12.00. To register, call Camp Victory (205) 898-7948.

AN OWL HOUSE . . . This small horned owl has made itself at home at a birdhouse behind the home of Lummie B. and Agnes Plant of Elba, and in the picture above is keeping a sharp eye on the photographer.

The owl came to its new home on Christmas Day when the temperature dipped to 77, and now leaves only to hunt at night. The owl goes inside when the weather is cold or rainy, but on sunny days can be seen on its perch soaking up the warmth.

Former Probate Judge Ordered To Replace \$20,000 In Missing Funds

Former Coffee County Probate Judge James L. Sawyer has been ordered by State examiners to replace more than \$20,000 in county funds that was discovered missing following a recent audit.

According to published reports, the Dept. of State Examiners' Public Accounts discovered the missing funds during an audit of Sawyer's books from October, 1978 until January, 1983. Sawyer served

for 12 years as Probate Judge before retiring.

The examiners ordered Sawyer to reimburse the county for the missing \$20,613.42, but Sawyer states he would wait on the results of District Attorney's investigation before taking any action. Sawyer added he didn't expect criminal charges to be filed.

"The funds came up short and the money is gone," said Sawyer, "but I don't know who took it. There were five clerks and myself working in that office and I'm just following the advice of my attorney."

Edna Helms, a former clerk in the Probate Office, was charged with first degree theft of property in January, 1983, in connection with

missing county funds, a case that is still pending.

The State examiners, in an audit report released last week, stated over \$60,000 was either missing from the Probate Judge's office or had been overpaid to various agencies from several county funds between October, 1978 and January 1983.

Approximately \$45,000 was paid back to the county general fund from accounts where money had been incorrectly placed, but \$20,613.42 was never accounted for.

As Probate Judge, Sawyer was legally responsible for the missing funds. The fact Sawyer was bonded for \$10,000 while Probate Judge would alleviate a portion of a possible personal repayment.

Principal Files \$50,000 Suit Against Former Employer

Zion Chapel High School principal Dr. Willard Crabtree has filed a \$50,000 damage suit against the Jackson County School Board concerning Crabtree's dismissal as principal at Stevenson High School last year after a student-athlete's grades were allegedly falsified.

The suit, filed in Federal Court in Birmingham this week, states Crabtree didn't participate in any misrepresentation of academic records.

Crabtree lost his job at Stevenson last year after questions arose over the academic records of a student, David McKinney.

The Alabama Football Foundation presented McKinney with the top scholastic honor for 2A athletes in the state; however, the foundation later recalled the award after learning the student's grades had been changed when he was nominated for the award.

The Jackson County School Board did not renew Crabtree's contract because of the incident and also released football coach Kenneth McKinney, the father of the student involved.

Crabtree's suit, along with several \$50,000 in compensatory and punitive damages, also asks that the school board be ordered to pay his attorney's fees and court costs.

Dr. Stanley Wicha Opens Practice In Elba

Dr. Stanley Wicha, general surgeon, opened his surgery practice in Elba Monday, January 9, and has made Elba his home.

Dr. Wicha received his pre-medical training in Warsaw, Poland, and received his medical degree from the Medical Academy in Lublin, Poland, in 1955. After completing internship and residencies in general surgery at Harper Hospital, both in Detroit, from 1966-1971. He has also completed general surgery reviews at Harvard Medical School in Boston and the Cook County School of Medicine in Chicago.

BRAINSTORMS

With Ferrin Cox

We have made some folks mad by openly supporting a black person who dared to want a position, etc., that was a traditional position for the white man. We understand this complaining and accept it as the price of facing reality. A major concern of ours for years on the flip side of the coin is how we would react if we knew we got a job and/or promotion because we were there and because of the color of our skin. The truly perfect way would be for jobs and promotions to be passed out solely on qualifications, but we will never see this in its purest form. Throughout recorded history, it has been cliché to score other races or religions and make second-class citizens of those who belong to "the other group."

Lt. Governor Bill Baxley has received the green light from the ethics commission to take legal fees from the AEA. We don't quarrel with the ruling of the ethics commission, but would have advised Baxley to steer clear of such action. We have heard criticism that a lawyer in the legislature had a license to steal. Baxley said that just because he represented a client in court didn't mean he would vote for them in the Senate (or something like that). He is right as far as he went, but human nature being what it is, we could also add that he would be better friends with AEA having served as their lawyer than if he had represented the opposing side in the lawsuit. Regardless of his personal feelings, Baxley will be accused of being biased due to his representing AEA in his lawsuit.

The Alabama legislature is moving out of the state capitol in June to allow a major renovation. This is badly needed, but we are alarmed that after approving the renovation proposal, the group is now considering not even moving back into the chambers after the three-to-five-years of renovation. As one opponent to permanently leaving the capitol said, "We don't need another museum up here."

Ray Dossey, who lives in the Bullock Community of Crenshaw County, just across the Coffee County line, has been arrested and charged with murder in the January 1 shooting death of his wife. After the body of his nine-year-old daughter has been exhumed and re-examined following her February 1982 death from a reported drowning. We will not venture an opinion in either the child's death or Mary Dossey's death while hunting with her husband; however, neighbors of Dossey's have been very vocal with their support of him in the matter. A large group reportedly visited the Crenshaw County Jail Sunday to show their support for the accused husband. They continued their open support of Dossey this week with a number of community residents contacting this newspaper urging we "expose the whole political matter."

We have talked with a local lady who is very upset over something she classifies as the lowest, dirtiest thing a person can do. It seems that more than once recently she has known of people stealing flowers and the urns holding them from the graves of loved ones at the cemetery. We share her scorn for those who do such things, but it ain't something new. Folks throughout history have either stolen or destroyed things left at graves of the dead, or the tombstones themselves. Knowledgeable people tell us that some of it is meaningless, but that some steal the items and resell them at a fraction of the original price. We don't like either group.

Jim Rowe, director of the Alabama Aeronautics Board, is hanging up his flying goggles. He has submitted his resignation to Governor Wallace and refused to reconsider. This action was taken after he went before a legislative committee supposedly investigating his complaints of the appointment of Wheeler Foshee to the newly created position as Rowe's assistant. The head of the committee came down hard on Rowe instead, apparently because his feelings were hurt that Rowe would dare criticize the legislature. We don't like to see our tax money spent on political favors, but the practice is not scheduled to stop any time soon. We are also not surprised to see the whistleblower catch all the flak from the matter. This time Jim Rowe was strong enough in his knowledge and reputation, as well as being able to retire, that the flak has possibly backfired on the legislature.

We survived a sales tax audit at The Elba Clipper last week. While we try to be prepared by having our records properly done, we were nervous while waiting for the scheduled time to arrive and until the audit was complete. We came through with flying colors - in sharp contrast to the results at some recently-audited newspapers. We try to report everything, not because of some great honesty or devotion to duty, but so we can sleep well. No more money than we handle, it isn't worth the worry of possibly getting caught trying to hide sales and/or taxes. Somewhere up there is a magic figure beyond which we would be tempted to steal ourselves, but to date we only assume that amount of money is "up yonder."

The U.S. Civil Rights Commission ruled this week that "quota hiring" and/or promotion is in itself discrimination. We have heard these arguments for some years and agree they have some merit. How long this ruling will be allowed to stand is anyone's guess. We repeat the opinions of many old time political experts who note that the pendulum swings from left to right, and while it may go to the extreme in one direction, it will one day swing back in the opposite direction. This is happening right now in the civil rights decisions.

Wyrosdick - Lamb Wedding Held In December

Lisa Ellen Wyrosdick and Marcus Ray Lamb exchanged wedding vows in a candlelight ceremony on Saturday, December 17, at El Bethel Assembly of God, Rt. 2, New Brockton. Rev. Morris D. Hyatt of Dothan officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Wayne Wyrosdick, New Brockton. The groom is the son of Mrs. Marilyn Pearce, Enterprise, and Mr. J.L. Lamb, New Brockton.

A program of popular and traditional wedding music was presented by Mike Lindsey, organist. Making the baptism was a fan-shaped candelabrum. Red poinsettias banked with greenery were flanked by spiral candelabra in the choir area. A candelabra and heart were used for accent at the floor level. All candelabra were accented by red tapers and red velvet bows.

The bride, given in marriage by her parents, was escorted by her father. She wore a candlelight floor-length gown of Chantilly lace trimmed with organza. The Queen Anne neckline, fitted bodice and leg-o-mutton sleeves featured beaded Venice lace motifs. The cap of the matching veil was trimmed with Venice lace and accented with tiny seed pearls. The double tiers of silk illusion were caught to the back of the cap with the waltz-length illusion edged in Venice lace.

The bride carried a cascade of red roses and miniature carnations with matching streamers tied in love knots.

During the ceremony, the bride and groom exchanged gold bands worn by the parents of the bride at their wedding.

After the lighting of the unity candle, Pastor Don Rogers offered a prayer as the couple knelt on the prayer bench.

Patrice Adkinson served her sister as matron of honor. Other attendants were Teresa White and Charlene Senn of New Brockton, and Dana Phelps, cousin of the bride, of Elba. All wore identical floor-length dresses of red satin with deep V-necklines, fitted bodices and sleeves. The skirts, gathered and pleated to a fitted waist, were semi-flared. The attendants carried lighted candles in crystal globes, the gold finished bases accented by holly and miniature poinsettias with cascading streamers.

Wayne Lamb, uncle of the groom, served as best man. Groomsman were Scott Lewis, Ozark, cousin of the bride; Rudy Johnson, Enterprise, brother of the groom; Dean White, New Brockton; and Tom Adkinson, New Brockton, brother-in-law of the bride.

Guests were registered by Carla Hornsby, cousin of the bride.

RECEPTION
A reception followed, in the reception hall of the church. A lighted Christmas tree provided the focal point. White standards bearing poinsettias graced the reception area. Individual arrangements of greenery, wedding bells, carnations and miniature candles in wedding colors added to the holiday theme.

The bride's table featured a multi-tiered cake with red roses, underlaid by a fountain and topped with a miniature bride and groom. Three single tier cakes, flanked by the bride and groom, were served.

The groom's table featured a beige lace cloth with brass accents. The tiered cake was served by Tina Myers and Crystal Grant, New Brockton, cousins of the groom.

Mrs. Gaston Hornsby Jr., cousin of the bride, directed the wedding, reception, and designed the floral arrangements.

The couple resides in Enterprise where she is employed with Ray Hughes Chevrolet and the groom is with Utility Trailers.

Miss Bradshaw To Wed Mr. Manning

Mr. and Mrs. Rex W. Bradshaw announce the forthcoming marriage of their daughter, Sylvia Ann, to Dennis Edd Manning, son of Mr. and Mrs. Johnny E. Manning Jr., of Elba.

Miss Bradshaw is a 1983 graduate of Elba High School and is presently employed at Bradshaw

Post Control. Mr. Manning is also a 1983 graduate of Elba High School and is presently employed with Dorsey Trailers of Elba.

The wedding will be an event of February 4, 1984, at six o'clock in the evening at Elba First Assembly of God in the presence of close family members.

Miss Bowers - Mr. Parks Announces Engagement

Mr. and Mrs. Burin Newton Bowers of Elba announce the engagement and forthcoming marriage of their daughter, Kathy, to John Benjamin Parks, son of Mr. and Mrs. J.B. Parks of Decatur.

Kathy is the granddaughter of Mrs. Mary Sharpless and the late Marvin Sharpless of Elba, and Mrs. B.N. Bowers of Elba.

The bride-elect graduated from the University of Alabama with a degree in Marketing. He is employed as a sales representative with Stag Industries of Birmingham.

The wedding will be an event of Saturday, February 18, at seven o'clock in the evening at Frazer Memorial Methodist Church in Montgomery.

All friends and relatives are invited.

Miss Barker Weds Mr. Daughtry In Candlelight Ceremony

Miss Laura Lou Barker and Mr. Rory Meredith Daughtry were united in marriage on Thursday evening, December 29, at six-thirty, in the Woodland Grove Baptist Church.

The ceremony was performed by Rev. Kenneth Edward English.

Laura Lou is the daughter of Mr. and Mrs. Wayne Daughtry of Enterprise.

Flickering hurricane lamps recessed on the church steps gave light and warmth to the doors which held a cluster of white lace wedding bells with flowing burgundy satin streamers.

Brenda Paschal, niece of the groom from Montgomery, presided at the registry. The table was draped in an ecru hand-embroidered cloth. A trio of midget candelabra nestled together enhanced the bride's book.

A program of nuptial music was provided by Miss Cricket Smith of Dothan, cousin of the bride.

The Rev. Larry Shepard of New Brockton was soloist. He sang "Whither Thou Goest" and "The Wedding Prayer". "The Twelfth of Never" was used for the processional, and "The Wedding March" for the recessional.

The ceremony was set in a background of two spiral candelabra holding white tapers. Graduating brass holders enhanced by emerald green ivy flickered on the choir rail. Drooping groups of fern recessed at floor-level on either side. A white basket held a sunburst arrangement of delicate white gladioli, miniature mums, statice and baby's breath.

Candles were lighted by Mark Jolley of Elba and Bart Paschal of Montgomery.

The groom was attended by his brother, Wayne Daughtry, of Enterprise.

The bride was escorted to the altar by her brother-in-law, Tom Tindol.

She was radiant in a fitted Victorian styled gown in Val spray lace from the Jodie Couture Collection. The all-lace gown in antique ivory featured a high neckline of Belgium lace and a sheer English net yoke decorated with pearl-embroidered Schiffler tracers. Bands of Belgium lace adorned the sleeves.

The long skirt, also of Val spray lace, was gently gathered at the fluted waistline. It flowed gracefully to the floor with a short extended train in the back. A flounce of Belgium lace graced the hemline of the skirt and train. A lace-covered satin sash encircled the fitted waist, completing the charming vintage gown.

The bride wore her hair "up" with soft curls. For her headpiece she wore a small fan-shaped bow of Val lace, embellished with miniature white silk roses to complement the Victorian gown.

She carried a cascade arrangement of soft silk, bridal roses, phalaenopsis, orchids and stephanotis outlined with baby's breath and sheer silk lace with long narrow picot satin streamers tied in love knots.

Matron of honor was the bride's sister, Mrs. Tim Tindol. She was gowned in a full-length creation of burgundy chiffon and tissue taffeta. The sheer embroidered net yoke added style and elegance. Her cascade bouquet of silk burgundy roses was tied with lace bows and narrow streamers falling gracefully to the hemline.

For her daughter's wedding Mrs. Barker chose a two-piece stylish burgundy street dress. The groom's mother, Mrs. Daughtry, was elegant in a delicate robin-blue chiffon. Each mother wore a white shoulder silk gardenia corsage.

Ushers for the occasion were Brian Daughtry of Enterprise, Michael Moseley of Elba and Brad Paschal of Montgomery.

RECEPTION
A reception was held following the wedding ceremony. Mrs. Dale Moseley greeted the guests.

Varied and colorful arrangements of cut daisies, pink carnations, spider mums, ivy and fern added artistic beauty and enhanced the entire party room.

The food tables, as well as the punch and coffee tables, were elaborately dressed in soft ivory silk and lace party cloths. The bride's table was predominant, holding the three-tiered wedding cake which was embossed in white spun sugar icing, topped with miniature wedding bells and white doves. The bride's bouquet complemented the setting, along with a five-branched candelabra. Serving the cake were Mrs. Gary Allen and Mrs. Fred Smith Jr.

The groom's table held a massive two-tier chocolate cake, which was adorned by a group of brass candlesticks placed at intervals. Pyramids of green and purple grapes added to the unique beauty of this setting.

Mrs. Dwayne Daughtry of Enterprise and Mrs. Bobby Paschal of

Mrs. Daughtry

Montgomery presided at the groom's table.

The burgundy punch service added color and interest to the occasion. Mrs. Grover Jacob of Montgomery and Mrs. Tommy Brooks of Woodland Grove shared this service.

The long food tables decked with many tasty party favorites were served by Mrs. Wilson Dye and Mrs. Wallace Smith of Elba, who also presided at the coffee service.

Kimberly Tindol, niece of the bride, assisted with the wedding rice bags. Her formal burgundy tissue taffeta dress was accented by self-colored lace and embroidery.

Little Chad Tindol, nephew of the bride, assisted in passing out ribboned scrolls.

The many guests registered from Elba, Troy, Montgomery, Brentwood, Enterprise, Glenwood, Zion

Chapel, Whitewater, New Brockton and Woodland Grove.

After a wedding trip to Florida, the newlyweds are residing in Elba.

AFTER-REHEARSAL DINNER

An after-rehearsal dinner was hosted by Mr. and Mrs. Ruben Daughtry, parents of the groom-to-be. This social affair was held Wednesday night, December 28, at Ed's Restaurant, in downtown Enterprise. Members of the wedding party as well as special guests enjoyed this gala affair.

LINGERIE SHOWER

The Gary Allen home was the setting for a lingerie shower for Miss Barker. Hostesses besides Mrs. Allen were Mrs. Max Adkinson, Mrs. Tommy Brooks, Mrs. Tommy Morrow, Mrs. Dale Moseley and Mrs. Tom Tindol.

Azalea Garden Club Has Meeting

Mr. Dan Presley was speaker at the January 11 meeting of the Azalea Garden Club at the home of Mr. and Mrs. Charlie C. Zimmerman. Co-hostess was Mrs. Phillip C. Hamm.

Mrs. Jack Vaughan introduced Mr. Presley, who spoke on various phases of horticulture. He informed members on the treatment and care of shrubs following the December freeze, and continued care in the cold weather to come.

He said azaleas and camellias should not be trimmed at all this time, or any dead leaves removed. "Let nature have her way first; then if the bark is burst on any limbs, they should be removed."

Presley demonstrated the proper method of pruning a large or small shrub, using a potted azalea. He said the long limb should be cut near the base or where it branches out.

Presley advised the group that he could be contacted for any plant problems, and that there were pamphlets and leaflets available at the Extension Office in New Brockton, where he is county agent.

Dear Congressman...

Dear Honorable Mr. Dickinson:

I would like to let you know I am in favor of the withdrawal of U.S. troops from Beirut. I feel it is of vital importance that our troops be withdrawn from this area. I would appreciate your support of this matter.

I trust you will give your aid to bring this important issue before the Congress as soon as possible.

Sincerely,
Stephanie M. Smith

Dear Senator Helms:

I am writing in concern of the Marines of Lebanon. According to the news media, many of your colleagues and perhaps yourself are in favor of bringing the Marines out of Lebanon. I and many of our constituents are concerned about the withdrawal of the Marines and how it will effect that part of the world.

In my opinion, I think there is a great need to keep the Marines in Lebanon. Without the peace keeping forces, Lebanon will be left to be

invaded or perhaps controlled by forces opposing peace and freedom of its people. Also, world security is at stake because this region of the world is constantly in turmoil.

With your support on this issue, I feel the Marines presence in Lebanon will be beneficial. This action I feel will help make the world safer for years to come. Just consider the problem that could arise with early Marine withdrawal. Please make serious allowances in voting your convictions.

Sincerely yours,
Beverly McCall

Who Knows... The Shadow???

This week's shadow is a little different but easy to know.

The shadow's height ranges from extra short to medium height and can be found in grades 11th through 12th, with the majority in the 12th.

The shadow favors the colors black and gold, their favorite teacher is Mrs. Pam Smith, favorite number is 10 and their favorite animal is the devastating Tiger, as in the Elba Tigers. The shadow has many hang out places, but as of now it is in the high school gym.

This unusual shadow has its problems just like everyone else, but it is a little different from all others. During the regular school day the shadow splits up and comes together at 2:00 in the principals office. The shadow always hate to lose in

anything the Tigers do. They are always screaming, shouting and doing ridiculous things to get other people spirits up. Another major problem is that year after year the shadow always changes just a little bit. This past year 3/10 of the

Travel This Summer In Hawaii

Mrs. Mary Young, instructor at Elba High School is organizing a group of interested students and adults for an 8 day comprehensive travel program in Hawaii this summer. shadow was different and at the end of this year 7/10 of the shadow will graduate.

Can you guess who this unusual Shadow is? Last week's Shadow was senior JEAN DRIGGERS.

Seniors Of The Week

Sophia Caldwell, is the 17 year old daughter of Mr. and Mrs. Willie H. Caldwell and she has always attended the Elba City Schools. Sophia is a member of the Senior Beta Club and FHA and she likes all of her classes and teachers. Her hobbies are singing and reading and she says she likes Elba High just the way it is. Her most memorable time in her school life was the Junior Prom and the most enjoyable time was Homecoming 1983. After High School, Sophia plans to get a job until she starts at Troy State University in the fall to study journalism and radiology.

Mary Caldwell, daughter of Mr. and Mrs. J. Magwood is 18 years old and she has also attended school in Denver, Colorado. Her favorite class is family life and her favorite teacher is Mrs. Young. Mary enjoys latch hook rugs and her most enjoyable time in her school life was Homecoming 1983. After High School, Mary plans to attend nursing school.

Deborah Walker, is the 17 year old daughter of Mr. and Mrs. Floyd Walker and she has attended schools in Michigan and in Indiana. Her favorite class is Democracy and her favorite teacher is Mr. King. Sewing, biking and reading are a few of her favorite pastimes. Deborah likes Elba High but wish they could

have a longer lunch period. Her most memorable time in her school life was her junior year and her most

enjoyable has been being a senior. Upon graduation, Deborah plans to attend Troy State University.

4-H Gold Key Fraternity Is Honor Club

BY: ANN SAWYER

Have you often read in newspapers about the 4-H Gold Key Fraternity and wondered exactly what the Fraternity is about, and who can belong?

The 4-H Gold Key Fraternity is an honor club. It is for senior 4-H'ers, age 14-19, who have excelled as junior 4-H'ers. Its purpose is to allow senior 4-H'ers to remain active in 4-H after it is no longer offered during school.

In order to obtain membership in the Gold Key Fraternity, you must have been recommended by a current member, teacher or principal. All persons who have been nominated meet before a panel of 4-H members. This panel interviews the prospective members and explains to them exactly what they expected of them. If they pass the panel, they are voted on by the current 4-H members from Zion Chapel, New Hope, Enterprise, Kingston, New Brockton and Elba. Finally, if the nominees are elected, they become members of the Gold Key Fraternity.

The requirements for becoming a member of the fraternity are:

- (1) you must participate in at least one county contest each year.
- (2) must turn in a record book each year.
- (3) must be a good citizen.
- (4) must encourage other 4-H'ers to participate and take a great part in the 4-H program.
- (5) must have been active in 4-H as a junior 4-H'er and
- (6) you must have been recommended by a current member.

teacher, or principal. If you become a member, you are expected not to miss more than two meetings each month. Excessive absences can cause you to be dismissed as a member.

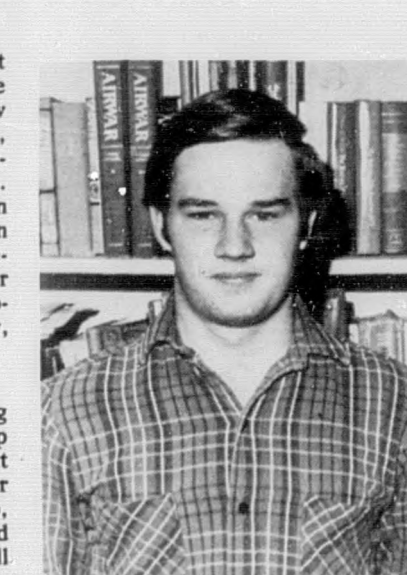

The Gold Key Fraternity is led by county leaders Mr. Jack Tatum and Mrs. Angela Hughes. Officers of the fraternity are: president - Mike Chirico (Zion Chapel); vice-president - Dawn Smith (Elba); secretary-treasurer - Gina Hilton (New Brockton); reporter - Sandra Walker (New Brockton) and devotional leader - Dewayne Chancellor (Zion Chapel).

The fraternity meets on the first Monday of every month at the Coffee County Extension Office in New Brockton. At the meetings, members discuss business concerning the club and present programs. Programs have included a talk on drugs, alcohol and cigarettes given by Rev. David Rieberg of White water Baptist Church. Other programs included one on photography given by Mr. Dan Presley, county agent.

The fraternity is presently raising money in order to take a citizenship trip to Washington, D.C. next summer. Any fraternity member who wishes to, may go on this trip, along with Mr. and Mrs. Tatum and Mr. and Mrs. Hughes. They will stay in Washington, D.C. at the National 4-H Center for several days and nights. While there, the group will go on tours, sightsee and attending meetings.

Money-making projects include individual activities, pocket calendar sales, an upcoming Womanless Wedding and an aluminum can sale. The club also gets the profits from concession stands at heifer and steer shows.

Club members enjoyed a riverboat cruise on the Alabama River last fall, and a Halloween costume party at Mike and Fran Chirico's house. This party included a hayride and a variety of games. The club celebrated Christmas with a supper at Duff's in Dothan.

A Sigh Of Relief...

BY: KEN DOWNING

There was a sigh of relief in the journalism room at Z.C. as the last page of Rebel 84 was boxed up and mailed to the presses a month ahead of time.

Every annual staff member was assigned to plan and draw up particular sections. This was a hard task for them because annual staff members also have a news page that must be ready every week and keep up with regular class assignments.

In addition to regular class time,

annual staff members stayed after school several days working on the yearbook.

Mrs. Rachel Bryan is sponsor of the annual and newspaper staffs which are composed of 16 seniors and 16 juniors. Ann Sawyer is the editor and Sharon Mobley is the business manager. Kim Smith, with the title of photographic coordinator, has been responsible for all picture scheduling. Other staff members are Beverly Ellison, Donna Rugg, Steve Rugg, Ken Downing, Craig

Flowers, Chris Miley, Sherri Chancellor, Richard Pope, Sherri Flowers, Terri Shiver, David McCarroll, Wendy Nelson, Kim Brunson, Sarah Campbell, Jan Hussey, Janet Stewart, Kelly Sheffield, Lynn Renfro, Danny Parker and Dedie Fuller.

ZC Students Have Korean Pen Pals

BY: SHERRI FLOWERS

So many times in the rapid pace of daily life we tend to forget about the millions of other people who dwell in our neighboring countries and the kinds of lives these people lead. This is not always the case in Mrs. Hilton's first period home economics class. Mrs. Hilton has recently started her class on an interesting, educational activity - writing to other students who live in Korea.

Mrs. Hilton got this idea while reading *The Enterprise Ledger*. In the *Ledger* that particular day was a letter from Miss An-soon Kim, an

English teacher in Seoul, Korea. Miss An-soon Kim said in her letter that her students in Seoul were eager to learn more about student life, traditional customs and other aspects of living in America.

When asked why she considered this article to be of importance to her class, Mrs. Hilton replied, "I'm always looking for interesting activities - mind-stretching activities for my own children and for my students at school. When I read this letter from Miss An-soon Kim, I knew it presented such a situation. This activity was not meant as an

exclusive learning experience for the first-period home economics class. "Writing to children in Korea will hopefully provide more interesting information to be shared with all my classes," says Mrs. Hilton.

Each student in Mrs. Hilton's first-period home economics class was required to write a letter to an unknown student in Seoul, Korea. The letters will be read by a teacher student distributed to the Korean students. Sex of the students, mutual interests and age will be factors in matching up persons to be pen pals.

Karen Miller Teaches Deaf Students In County

BY: RICHARD POPE

Zion Chapel has a new teacher in elementary school. Her name is Miss Karen Miller and she is from Birmingham, Alabama. Miss Miller was hired by the Coffee County Board of Education to teach two deaf children. One is in kindergarten and the other is in the third grade.

Miss Miller graduated from the University of Alabama where she was trained to teach the deaf. Her training included learning sign language. Before coming to Zion Chapel she taught at the Talladega State School for the deaf for two years.

When asked why she decided to teach the deaf she said, "It was a field that many people went into, as I was exposed to deaf children, I felt a need that deaf children should know their language."

BY: LYNN RENFROE

The University of Montevallo is offering three scholarships, each valued at \$500, to high school girls. These scholarships will be awarded to freshmen women who are majoring in Physical Education. The requirements for qualifying are to complete the application for the Physical Education scholarships and send it to Dr. Miriam Collins at Station #180, The University of Montevallo, Montevallo, Alabama 35115, by February 1, 1984.

Drivers Attend School

BY: WENDY NELSON

Because the State of Alabama requires a valid bus driver's license, the Coffee County bus drivers recently attended a bus driving school. Among those attending the school were the drivers of seven new buses purchased by the Coffee County Board of Education.

Bus drivers Marie Ellison, Karen Snellgrove, Annette Parker, Carolyn Grant, Linda Powell, Sharon Legg and Margaret Johnson from Zion Chapel attended a one-day bus driving school to re-certify their bus drivers' licenses. Ed Bollin, instructor, showed films of accidents and lectured on defensive driving. A multiple-choice worksheet was given as a test on the day's lecture.

Randal Myers, Martin Mobley, Harold Stewart and Larry Green also attended the school. Mr. Myers drives the bus for band trips and Mr. Stewart teaches a license so he can drive on FFA field trips. Mr. Green and Mr. Mobley are called upon to drive a bus on many occasions, including football, basketball and band trips.

The new buses were purchased from funds made available by the Coffee County Board of Education. They were placed where the needs were greatest and Zion Chapel got two of the seven. The drivers of the new buses are Marie Ellison and Karen Snellgrove, who were chosen because they picked up the most students on their routes.

VIEWS FROM

THE PRESSBOX

BY RICKY MULARZ, EDITOR

It's a rainy Sunday afternoon and there's nothing worth watching on TV, so I thought I'd go ahead and write this week's column a day early and get it out of the way. Now if I can just think of something to write about...

ELBA HIGH BATTLES TO STAY ABOVE .500

Coach Hank Kennedy's Elba Tigers lost in the first round of the SAC Tournament last week and now own a 5-4 record with some tough games coming up. The Tigers look good at times and make you forget the days of old when they went 2-18; however, at other times they seem to forget what they're doing and allow their opponents to blow them out. This year's team has more talent than any Elba team in many years and could be big winners if it will just play anywhere near its potential every time it hits the court. I coached these guys in junior high and know they have a lot of pride, and I know they will finish with a surge and post a winning record. C'mon Tigers - show 'em what you can do!!

GAMECOCKS IN COUNTY CAGE SPOTLIGHT

Coach Bobby Kinsaul's New Brockton Gamecocks won the SEAC Tournament last week in Kinston and in doing so upped their record to 12-1 for the season. The Gamecocks were not expected to be a basketball power this season after losing three starters, but Coach Kinsaul and his players worked hard in practice and put in the long hours it takes to win, and it is all paying off as the wins just keep on piling up. New Brockton is still not a powerhouse, despite their record, but the Gamecocks are a winning team that plays together and never gives up. Over in New Brockton they call that "Gamecock Pride."

Kinston placed second in the tournament and in doing so upped its record to 7-7. The Bulldogs now stand at 7-7 and some folks may wonder what's wrong down in the country. But I can assure you the Bulldogs are improving nightly and they could sneak up on some people come tournament time. Kinston has a young team that is under a lot of pressure to win and I think they're doing a pretty good job.

Zion Chapel saw its five-game winning streak snapped in the overtime loss to Kinston, but don't feel sorry for the Rebels because they have figured out just how good they can be, and they are looking forward to the rest of the season. The Rebels have as much talent as any 1A team in this part of the state, and if they play like they can, they still have a bunch of wins left!!

WEEKLY CLIPPER PREP POLL

The season is slowly drawing to a close and as soon as it does the cream will start to rise to the top. This week's poll of the top teams in the South includes some mighty talented squads and here it is...

ELBA FOOTBALL BANQUET NEXT WEEK

Elba High School will break tradition next week when it holds a football banquet at the school cafeteria. The school has long held an All-Sports banquet late in the school year and honored students that participated in all varsity sports; however, this season the football players will be honored with their own banquet. I like the idea because by the time the All-Sports banquet rolled around I could barely remember the past season, and I'm sure the players felt like football had been over for a year! I know some people will not like the change because they'll say too much emphasis will go to football, but I for one like it and cast my vote for it to continue every year.

CAN THE USFL AFFORD TO SUCCEED?

The United States Football League has been in the news in recent weeks signing top collegiate stars and NFL veterans; but the question I ask is "Can the league afford to succeed?" The team owners are willing to put out big money to sign the big stars, and the named players will help fill up the stands, but how many \$1 million players can a team have and still hope to make money? Oh well, at least the players will get a chance to get rich and have fun at the same time.

"Saving lives is my business. Saving money on my taxes is Block's business."

"To be a paramedic, you don't just jump in an ambulance. You need lots of training. But I'm not trained in income taxes. So I rely on H&R Block to come to the rescue. Block prepares all my taxes. And that not only saves me money, but helps me breathe a little easier, too."

Elba Football Banquet Set For Thursday, Jan. 26

The student-athletes involved in the football program at Elba High School will be honored on Thursday night, January 26, at 7 p.m. when the Elba High School and Elba Athletic Club sponsor the Football Awards Banquet.

New Brockton To Open 1984 Grid Season At Daleville

New Brockton High School football coach Leavy Boutwell announced last week that the 2A Gamecocks will open the 1984 football season against the Daleville Warhawks, in Daleville. Daleville will be a 4A school in next year's six-class system and it will mark the first time a Gamecock football team has opposed a 4A school. Other new teams on New Brockton's 1984 schedule will be Cottonwood, Samson and Houston County.

"I thought I owed it to the kids to give them 10 games," said Boutwell.

Cats Fall To Samson

The New Hope Junior High Wildcats saw their record slip to 10-3 last Thursday night when they fell to Samson 49-42, in Samson.

The Wildcats owned a slim 14-13 lead after one quarter of play, but fell behind 24-19 at the half and could never regain the lead.

Dale Liptrout scored 21 points to lead New Hope, while Bobby Harrison paced Samson with 16.

New Hope Wins 55-42

The New Hope Junior High Wildcats pulled away late in the game to defeat Kinston 55-42 Monday night in Kinston.

The Wildcats led by as much as 10 points in the first half, but couldn't pull away from the pesky Bulldogs and had to pull away late to claim the win.

Dale Liptrout and Robert Smith scored 20 and 17 points to lead New Hope, while Dodd Hawthorne hit 10 for Kinston.

New Brockton Wins SEAC Basketball Tournament

The New Brockton Gamecocks claimed the championship of the South East Alabama Conference basketball tournament last Friday night by claiming an exciting 53-50 win over the Kinston Bulldogs in the finals of the seven-team tournament. New Brockton, which upped its record to 12-1 with two wins in the

OPENING ROUND

Brantley 70
Dozier 64
The Brantley Bulldogs rallied from a 16-point deficit to post an exciting 70-64 win over the Dozier Tigers. The Bulldogs, playing only their second game of the season, could do nothing right early in the game and appeared headed for a lopsided loss. Dozier was in command 41-28 late in the second stanza, but the Dogs closed to within 41-36 at the half and then took control in the second half to post the win.

Frank Murray and Jimmy Tisdale scored 24 and 20 points to lead Brantley, while James Burnett led Dozier with 22.

Zion Chapel pulled off an opening round upset by knocking off second-seeded Red Level 54-46. Red Level jumped out to an early lead in the game, and by the end of the first quarter had pulled ahead 11-5.

The Rebels regained the lead at 25-24 midway through the third quarter, but the Rebs came right back and went up 34-29 late in the stanza on a basket by Lynor Duncan.

Zion Chapel led 39-31 with 5:05 left in the game on a three-point play by Greg Flowers, and it was all downhill from there as the Rebels rolled to the win.

Terry Haynes scored 19 points and grabbed 17 rebounds to pace Rebels closed to within 56-53 with the 06 left, and then cut it to 56-54 on a free-throw by Greg Flowers.

Flowers missed his second free-throw intentionally and Terry Haynes put it back in the buzzer to send the game into overtime with the score tied at 56-56.

Terry Haynes put the Rebels on top 58-56 with 1:38 left in overtime but Kinston battled back and went up 62-58 as Gary Glass hit a lay-up and two free-throws. Zion Chapel closed to within 62-60 with 33 left, but Kinston's Alvin Henderson hit 7 of 8 free-throws in the closing seconds as the Bulldogs claimed the 71-60 win.

Alvin Henderson scored 18 points to lead Kinston, while Gary Glass added 15. Terry Haynes led Zion Chapel with 17.

The Dogs came out running and gunning in the third quarter and outscored the Eagles 22-8 over a six-minute span to take a lopsided 49-27 lead.

Goshen staged a mild rally in the final stanza and pulled within 52-43; however, the Bulldogs regained control and cruised to the win.

Gary Glass scored 22 points to pace Kinston, while Alvin Henderson added 16. Ricky Brundridge led Goshen with 17 points.

New Brockton Gamecocks - SEAC Champions

7-point lead on a Gary Glass lay-up with 3:08 left in the half, only to see New Brockton pull within 31-27 at the half. The county rivals swapped baskets for much of the third stanza as the Bulldogs kept a 4-point lead; however, the Gamecocks began to gain the upper hand early in the final stanza and tied the game at 43-43 with 7:04 left in the game on a baseline jumper by Winfred Horstead. The score was tied at 46-46 with 3:52 left, but Greg Hagan poured in five straight

points to spark a Gamecock rally and with 1:34 left in the contest New Brockton was in front 51-46. Kinston cut the deficit to 52-50 with :57 left and went to the free-throw line with two shots, but failed to connect as the Gamecocks held on to the slim lead. A Greg Hagan free-throw made it 53-50 with :27 left and Kinston missed 4 free-throws in the closing :19 as New Brockton held on for dear life and claimed the tourney crown!

Winfred Horstead scored 13 points to lead New Brockton, while Laymon Hornsby added 12. Kinston's Alvin Henderson led all scorers with 18 points.
